OPPORTUNITIES FOR ADULTS:

- Even adults can grow with Erasmus+!
- With Erasmus+, not only young people can benefit from an experience abroad! The program also offers various opportunities to adults, allowing them to:
- Improve your language skills: Immersing yourself in another country and living in close contact with its culture is the best way to learn a language effectively and naturally.
- Gain experience in another European country: A work or training experience abroad enriches your CV and opens new doors in the world of work, offering greater career opportunities.
- Developing your personality and professionalism: Comparing yourself with different cultures, meeting new people and having new experiences broadens your horizons and helps you grow as a person and as a professional.
